SUMMARY

Pharmacist with over 16 months in outpatient settings, committed to enhancing patient care through effective medication management and health education. Adept at implementing personalized treatment plans for military personnel and their families. Recognized for strong communication skills, ensuring a supportive environment while adhering to healthcare guidelines. Driven by continuous learning in pharmacy practice to positively impact community health. A collaborative team player focusing on optimal outcomes through strategic healthcare interventions and stakeholder partnerships.

EXPERIENCE

Outpatient Pharmacist January 2025 - Present
Bluebonnet Pharmacy Austin, TX

- Responsible for managing comprehensive pharmacy operations focusing on outpatient medication therapies. Enhancing patient safety and promoting wellness in an outpatient setting.
- Managed timely dispensing of medications and delivered thorough consultations, fostering trust with patients.
 - Led medication reviews, detecting interactions that ensured the highest levels of safety and effectiveness.
 - Collaborated closely with medical teams for implementing individualized care plans tailored for diverse needs.
 - Conducted immunizations and screenings, actively contributing to improving community health outcomes.
 - Mentored pharmacy interns, nurturing their development and reinforcing best practices within the pharmacy.
 - Maintained consistency in meeting inventory and regulatory compliance, supporting operational integrity.

Pharmacy Intern June 2024 - December 2024
Pecan Grove Pharmacy Austin, TX

- Gained foundational experience assisting pharmacists in daily pharmacy activities. Engaged in strategic discussions to improve patient care delivery.
- Supported medication dispensing processes, ensuring accuracy in fulfilling prescriptions.
 - Participated in clinical meetings with healthcare professionals, enriching discussions on best care practices.
 - Developed skills in electronic health record systems, working towards efficient pharmacy operations.
 - Contributed to public awareness initiatives regarding medication safety, crafting educational outreach materials.
 - Jumpstarted patient follow-up processes to enhance adherence, improving overall therapeutic outcomes.
 - Assisted in maintaining correct procurement processes, ensuring product availability for patient needs.
