SUMMARY

Paraeducator with four years supporting preschool and early elementary **students with disabilities** in inclusive and specialized settings. Delivers teacher planned instruction, prepares learning materials, and applies Individual Education Plan accommodations, modifications, visual supports, routines, and interventions under **certificated staff** direction. Provides calm support during behavioral escalation through trained de escalation practices and approved safety responses. Collects academic, behavioral, and functional data for progress monitoring and communicates clearly with teachers, specialists, families, and school staff. Supports mobility, positioning, feeding, toileting, diapering, **assistive technology, student equipment**, and individualized health procedures. Maintains confidential records, safe supervision, and dependable classroom routines. Physical readiness includes floor level work, kneeling, bending, running after students, and lifting within established safety procedures.

EXPERIENCE

Preschool Special Education Paraeducator August 2024 - Present
Meadowbrook Early Learning Center Tacoma, WA

Supports preschool learners with varied disabilities across classroom instruction, care routines, transitions, meals, play, and safety supervision. Works under special education direction, applies individualized plans, records student information, and coordinates with teachers, specialists, and families.

- Supported **preschool** instruction, transitions, meals, and play through close supervision and consistent classroom routines.
- Applied IEP **accommodations**, visual supports, modifications, and individualized routines under **special education** teacher direction.
- Recorded academic, behavioral, and functional observations during structured activities for team progress review.
- Used trained **de escalation** practices and response plans during episodes of physical dysregulation.
- Provided **feeding, toileting**, diapering, positioning, mobility, and equipment support with dignity and care.
- Shared confidential updates with teachers, specialists, and families, supporting consistent student routines across settings.

Special Education Paraeducator September 2022 - July 2024
Harborview Learning Cooperative Olympia, WA

Provided classroom, **personal care**, mobility, communication, and safety support for young **students with disabilities**. Reinforced teacher planned instruction, applied individualized interventions, recorded student performance, and helped teams maintain predictable routines across school settings.

- Reinforced early literacy, numeracy, **communication**, and functional routines through teacher planned classroom activities.
- Applied visual schedules, prompting, reinforcement, and structured transitions under **certificated staff** direction.
- Monitored safety across classrooms, playgrounds, arrival, dismissal, and other school settings.
- Supported floor level activities, transfers within training limits, toileting, feeding, and assistive equipment.
- Recorded performance and behavior information with computer tools and classroom forms for team review.
- Built positive relationships with students from varied cultural and socioeconomic backgrounds through dependable daily support.

PROJECTS

Inclusive Preschool Routine Support 📅 2025
Supported a structured preschool routine project focused on visual schedules, communication prompts, transition practice, personal care, and safe participation. Shared observations with certificated staff so activities could reflect student needs and individualized learning goals.

Student Data and Safety Practices 📅 2024
Contributed to classroom data collection and safety routines across instructional activities, play, mobility support, and transitions. Organized observations for staff review and helped maintain consistent responses during behavioral escalation.

LEADERSHIP & AWARDS

- Recognized by classroom staff for dependable support during preschool transitions, care routines, and student supervision.
- Commended for calm de escalation support and respectful communication during challenging student behaviors.
- Trusted by colleagues for confidential documentation and consistent follow through with individualized student routines.

EDUCATION

Associate of Arts 2022
Tacoma Community College GPA: 3.5 Tacoma, WA

Coursework: Early childhood education, special education foundations, child development, classroom communication
