

Valeria Medina

Pediatric Occupational Therapy Assistant (COTA)

JULY 16, 2026

TheraKids Solutions
Hiring Manager
Albany, OR

Dear Hiring Manager,

I am excited to submit my application for the Pediatric Occupational Therapy Assistant position at TheraKids Solutions, as this role resonates deeply with my fervent dedication to enhancing children's developmental growth and my professional experience in pediatric settings.

My journey began with completing an Associate of Applied Science in Occupational Therapy Assisting from Portland Community College in 2024, paving a path to intervene positively during crucial developmental phases in children from birth to 18 years old.

During my time at Pediatric Therapy Associates, I conducted evaluations and crafted tailored treatment plans, equipping me with hands-on expertise to meet diverse therapeutic needs.

Collaborating closely with multidisciplinary teams allowed me to engage creatively with children, inspiring their participation through innovative play-based approaches to therapy.

I have learned that every small victory matters, whether it's a child mastering a new motor skill or simply smiling while playing with sensory tools—these moments reaffirm my commitment to this vital field.

Thank you for considering my application for this position.

Sincerely,

Valeria Medina
