

Nylah Campos

Pharmacy Technician Intern

AUGUST 13, 2026

Hiring Manager
CVS Health
Walnut Creek, CA

Dear Hiring Manager,

I am excited to apply for the Pharmacy Technician Intern position at CVS Health. This role dovetails exactly with my aspirations and skills. Beyond my academic experience, I thrive on teamwork and patient engagement, applying clinical knowledge daily.

In collaborating with pharmacy teams, I focused on enhancing operational efficiency and patient engagement. My hands-on experience through internships and projects empowers me to contribute meaningfully to CVS's mission of transforming healthcare. My role at university sharpened my attention to detail while adhering to strict safety protocols.

I remember a time during a community health outreach program. We tackled patient inquiries regarding medications, applying empathy and clear communication. Those moments emphasize the heart of healthcare – serving others with clarity and compassion.

Analyzing data during my research assistant role allowed me to uncover critical insights into medication safety. Presenting my findings enhanced my communication skills, aligning perfectly with CVS's dedication to improvement and excellence.

My eagerness to embrace constructive feedback and pursue growth aligns with your goals. Participating in continuous improvement initiatives fostered supportive environments for teams. At CVS, I see an exciting opportunity to contribute, learn, and flourish within an enriching culture.

Thank you for considering my application.

Sincerely, Nylah Campos,

Nylah Campos
