STRENGTHS

- ♥ **Calm response**
During timed scenarios, used steady verbal direction and active listening to lower tension and keep encounters orderly.
- ♥ **Clear documentation**
Turned dispatch notes, observations, and witness details into organized reports that earned consistent faculty review.
- 📌 **Data guided judgment**
Reviewed recurring service concerns, then shaped patrol recommendations that connected evidence with practical action.
- 👥 **Community communication**
Translated public safety concepts into plain language during briefings, helping diverse audiences follow practical guidance.
- ⚡ **Physical readiness**
Training includes timed runs, push ups, sit ups, stairs, barriers, and weighted drags, with steady progress through routine.

SKILLS

Patrol Crime Prevention

Incident Response Report Writing

Traffic Enforcement

Investigative Procedures

Community Policing De escalation

Professional Communication

First Aid Radio Communication

Data Driven Problem Solving

Physical Fitness

Chain of Command

Ethical Decision Making

SUMMARY

Early career **Police Officer Candidate** with a Bachelor of Science in Criminal Justice and supervised preparation for municipal law enforcement service. Completed structured simulations covering patrol, investigations, **traffic enforcement**, domestic disputes, suspicious activity, crime prevention, constitutional standards, report writing, radio communication, first aid, de escalation, and courtroom testimony. Applied incident data, witness statements, dispatch notes, and evidence logs during scenario based projects reviewed by faculty. Built physical readiness through timed running, push ups, sit ups, stair movement, barrier navigation, and weighted dummy drag practice. Maintains a valid Maryland **driver's license** and strong driving record. Brings sound judgment, careful documentation, respect for **chain of command**, and calm communication with diverse community members. Prepared for academy instruction, MPCTC certification, field training, background review, medical screening, and probationary service.

EDUCATION

Bachelor's Degree in Criminal Justice

Hood College 🎓 GPA: 0 📅 2026 📍 Frederick, MD

Coursework: *Patrol procedures, constitutional law, crime prevention, investigations, traffic enforcement*

TECHNICAL SKILLS

- **Patrol Operations:** Patrol procedures, proactive patrol, property checks
- **Investigations:** Crime investigations, interviewing, evidence awareness
- **Traffic Enforcement:** Traffic stops, citations, collision response
- **Police Documentation:** Incident reports, arrest records, field notes
- **Communication Systems:** Radio communication, dispatch notes, professional communication
- **Public Safety Analysis:** Calls for service, incident data, crime prevention
- **Legal Standards:** Constitutional law, warrants, summonses
- **Emergency Response:** First aid, emergency vehicle operation, scene assessment
- **Conflict Management:** De escalation, active listening, verbal direction
- **Physical Readiness:** Timed running, push ups, sit ups
- **Training Standards:** Maryland certified academy, MPCTC, field training
- **Court Processes:** Courtroom testimony, case summaries, legal considerations

EXPERIENCE

Police Officer Candidate, Public Safety Capstone Project

Academic Research 📅 January 2026 - May 2026 📍 Frederick, MD

Completed a supervised municipal policing capstone using simulated calls, patrol decisions, traffic stops, community **complaints**, incident documentation, and data informed safety planning.

- Completed simulated **patrol calls** and traffic stops, producing accurate incident documentation for faculty review.
- Applied constitutional standards during **suspicious activity**, domestic dispute, traffic violation, and property offense scenarios.
- Produced mock arrest reports from dispatch notes, witness statements, observations, and evidence logs.
- Practiced radio traffic, scene prioritization, de escalation, and **professional communication** during timed simulations.
- Used incident data to identify recurring safety concerns and present a targeted patrol plan.
- Completed debriefs covering **chain of command**, legal reasoning, officer safety, and written self assessment

MY CAREER

11

MONTHS

●

Police Officer Candidate, Public Safety Capstone Project at Academic Research (4 Months)

●

Law Enforcement Simulation Student, University Criminal Justice Simulation Lab at University Criminal Justice Simulation Lab (3 Months)

●

Crime Prevention Project Student, Community Safety Course Project at Academic Research (4 Months)

Law Enforcement Simulation Student, University Criminal Justice Simulation Lab

University Criminal Justice Simulation Lab

September 2025 - December 2025

Frederick, MD

Completed supervised **law enforcement** simulations covering patrol contacts, collision response, investigative interviewing, evidence awareness, warrants, courtroom testimony, first aid, and emergency communication.

- Completed supervised scenarios covering **patrol** contacts, collision response, interviews, **warrants**, and courtroom testimony.
- Documented people, vehicles, locations, and event sequences through structured observation exercises.
- Prepared citation, field note, and case report exercises under time limits with instructor review.
- Used calm verbal direction, active listening, and procedural explanations during role play encounters.
- Performed **first aid** and emergency response drills with scene assessment and simulated handoff.
- Presented a mock case summary and answered faculty questions about legal considerations and report quality

Crime Prevention Project Student, Community Safety Course Project

Academic Research

January 2025 - May 2025

Frederick, MD

Created a supervised crime prevention project for a simulated city district, connecting calls for service, environmental observations, resident concerns, patrol allocation, and public safety communication.

- Designed a **crime prevention** plan using service data, environmental observations, and resident concerns.
- Reviewed more than 500 anonymized records to categorize traffic, disorder, property, and quality of life issues.
- Built **patrol** allocation recommendations balancing visibility, traffic safety, **property checks**, and community engagement.
- Drafted public safety guidance and delivered a clear briefing for a general audience.
- Completed **traffic direction** and pedestrian safety exercises with coordinated movement and situational awareness.
- Maintained evidence logs, source notes, and final reports supporting accuracy, traceability, and ethical information use

PROJECTS

Community Safety Data Review

2025

Reviewed anonymized calls for service and translated recurring traffic, disorder, property, and quality of life concerns into practical patrol and outreach recommendations.

Municipal Patrol Scenario Plan

2026

Built a supervised response plan linking simulated dispatch calls, constitutional standards, de escalation, report writing, radio communication, and targeted patrol activity.

LEADERSHIP & AWARDS

- Dean's List, Hood College, 2025 and 2026
- Criminal Justice Program Academic Achievement Award, 2026
- Community Service Recognition, 2025

CERTIFICATIONS

- Valid Maryland Driver's License 2026
- American Red Cross Adult and Pediatric First Aid, CPR and AED 2026

PROFESSIONAL AFFILIATIONS

- Criminal Justice Student Association, Peer Scenario Coordinator, 2025 - 2026
- Campus Community Safety Volunteer, 2024 - 2026

2/3

- Student Fitness and Wellness Group, Training Participant, 2025 - 2026
