SUMMARY

Early career public safety professional with approximately one year of supervised **campus security** and academic experience supporting foot and mobile patrols, **incident documentation**, parking compliance, **access checks**, alarm response preparation, and event safety. Trained to observe campus conditions, monitor audible and visual alarms, assess known facts, and communicate clearly within defined authority. Criminal justice preparation supports crime prevention, report writing, ethical decision making, community oriented safety, and appropriate escalation. Experience with Microsoft Word, Microsoft Excel, information systems, traffic control, crowd monitoring, **building openings** and closings, and safety education. Maintains calm judgment during stressful scenarios and brings physical readiness for evening patrol operations, stairs, and emergency support. Prepared to contribute dependable service, careful documentation, and respectful communication across a campus community.

EDUCATION

Bachelor's Degree in Criminal Justice
North Central College GPA: 0
Coursework: Crime prevention, report writing, ethical decision making, community safety

2026
Naperville, Illinois

EXPERIENCE

Public Safety Intern
University Public Safety Internship

January 2026 - September 2026
Naperville, Illinois

Supported supervised **campus safety** operations across academic buildings, residence areas, parking facilities, and event spaces. Completed patrol assignments, access checks, alarm exercises, parking compliance rounds, event safety support, and factual documentation under staff guidance.

- Completed foot and mobile patrols across campus areas, documenting **safety** concerns for officer review.
- Practiced alarm response scenarios, gathering facts and escalating decisions within defined authority.
- Checked **doors, windows**, and access points, recording unsecured conditions for follow up.
- Supported parking rounds, identifying policy violations and preparing accurate citation information.
- Assisted events with pedestrian routing, traffic observation, crowd monitoring, and safety communication.
- Prepared shift notes and incident reports using **Microsoft Word** and **Microsoft Excel**.

Campus Safety Project Student
Criminal Justice Capstone Project

August 2025 - May 2026
Naperville, Illinois

Completed supervised academic public safety work focused on campus risk review, patrol planning, incident analysis, **event security**, and clear presentation of practical recommendations. Applied **criminal justice** methods within simulated operational limits.

- Evaluated campus patrol coverage, access risks, parking concerns, and event conditions for faculty review.

- Built suspicious activity and alarm scenarios, practicing fact based response decisions.
- Analyzed sample reports and crime patterns, identifying recurring safety concerns for prevention planning.
- Developed event plans covering traffic flow, crowd posts, volunteer assignments, and escalation procedures.
- Organized patrol observations in **Microsoft Excel**, then summarized findings in **Microsoft Word**.
- Presented safety recommendations to faculty and classmates, addressing policy and authority questions.

PROJECTS

Campus Event Safety Assessment 2026

A useful safety plan starts with ordinary details. Reviewed traffic flow, crowd posts, student assignments, communications, and escalation steps for a simulated public program.

Campus Security Scenario Review 2026

Small observations can shape safer decisions. Built simulated alarm, suspicious activity, medical assistance, and access control scenarios for classroom response practice.
