STRENGTHS

- 📋 **Assessment based planning**
Turned interviews and risk findings into practical case plans. Supervisors relied on clear updates when needs changed.
- 👥 **Service coordination**
Connected custody teams, clinicians, families, and community providers. A clear handoff often made follow through easier.
- 🗣️ **Program facilitation**
Led release preparation groups with useful discussion and feedback. Participants asked for resources they could use immediately.
- ♥️ **Objective documentation**
Kept Apricot records, case notes, and reports organized. Accurate details gave staffing teams confidence in each recommendation.
- 🔊 **Calm conflict resolution**
Used de escalation and direct communication during difficult conversations. Small shifts in tone helped restore productive dialogue.

SUMMARY

Reentry case management professional with six years supporting justice involved adults across detention, transition, and community supervision settings. Conducts structured interviews, risk and needs assessments, **case histories**, classification reviews, and individualized transition planning. Coordinates treatment, housing, education, employment, vocational, family, and community referrals with correctional staff, **behavioral health** providers, workforce partners, social service agencies, and families. Facilitates reentry and self improvement programming, tracks outcomes in Apricot and Microsoft Excel, and prepares clear reports for supervisory, program, and grant review. Career growth has progressed from community supervision support into senior ownership of complex caseloads, multidisciplinary staffing, and service coordination. Brings calm communication, sound documentation, **conflict resolution**, and practical **problem solving** to secure environments, helping people move from custody toward stable community reintegration.

EXPERIENCE

Senior Reentry Case Manager

Cypress Bend Community Corrections 📅 July 2024 - Present 📍 Ocala, FL

Owns complex reentry caseloads across detention and community transition settings. Leads assessment driven planning, multidisciplinary staffing, program facilitation, referral coordination, Apricot documentation, and recurring program reporting. Supports classification decisions and continuity of care through clear communication with custody, clinical, family, workforce, and social service partners.

- Managed complex caseloads through structured interviews and **risk** assessments, clarifying transition priorities.
- Revised **case plans** for **treatment**, employment, education, family, vocational, and community needs.
- Coordinated release referrals with custody, clinicians, workforce programs, families, and **social services**.
- Facilitated **reentry classes** covering employment preparation, resources, decision making, and **institutional adjustment**.
- Maintained Apricot records and produced weekly, monthly, quarterly, and annual program summaries.
- Presented case histories during staffing, recommending classification changes after documented risk reviews.

Reentry Case Manager

Northlake Justice Services 📅 January 2022 - June 2024 📍 Leesburg, FL

Managed correctional reentry cases from secure facility interviews through release planning. Combined client assessment, group programming, community referral development, electronic documentation, and data reporting with safe coordination among custody and behavioral health teams. Built practical service pathways around treatment, housing, **employment**, education, transportation, and family needs.

- Converted assessment findings into release plans covering treatment, housing, work, **education**, and **family** needs.
- Documented secure facility interviews, **case histories**, institutional progress, and emerging service barriers.
- Built referral relationships with treatment providers, workforce groups, educators, and social service agencies.
- Delivered release preparation groups, using feedback and completion records to refine materials.
- Tracked contacts, **referrals**, attendance, and milestones in electronic records and Microsoft Excel.
- Applied de escalation during client concerns, coordinating safely with custody and **behavioral health** personnel.

LANGUAGES

MY CAREER

- Senior Reentry Case Manager at Cypress Bend Community Corrections (2.2 Years)
- Reentry Case Manager at Northlake Justice Services (2.4 Years)
- Case Management Specialist at Pine Grove Community Supervision Services (1.2 Years)

Case Management Specialist

Pine Grove Community Supervision Services 📅 October 2020 - December 2021 📍 Lakeland, FL

- Supported adults transitioning from custody through organized community supervision and reentry administration. Gathered intake information, researched local services, prepared objective documentation, co facilitated workshops, and coordinated appointments under established correctional procedures. Developed a foundation in classification support, referral practice, **customer service**, and secure case communication.
- Supported community supervision planning through scheduled contacts and organized correctional records.
 - Gathered intake information on education, employment, family, treatment, and **institutional adjustment**.
 - Researched treatment, transitional, **vocational**, and employment resources for referral directories.
 - Prepared objective case notes and status summaries in Microsoft **Word** and **Excel**.
 - Co facilitated reentry workshops, documenting attendance, questions, and follow up needs.
 - Coordinated appointments among clients, providers, and internal staff using structured **time management**.

PROJECTS

- Community Reentry Resource Directory** 📅 2023
- Built a practical referral directory connecting justice involved adults with treatment, housing, education, vocational, employment, and social service resources. Partner coordination kept information current and useful during transition planning.
- Structured Release Preparation Series** 📅 2022
- Supported a group learning series for adults preparing for release. Sessions addressed employment readiness, community resources, decision making, institutional adjustment, and service connections through approachable discussion and documented participant feedback.
