SUMMARY

Dedicated Registered Nurse with 5 years in inpatient case management seeks to leverage expertise at Aspen Healthcare Solutions. Proficient at coordinating care within multidisciplinary teams while ensuring patient advocacy and comprehensive support throughout their healthcare journeys. Experienced in critical care settings, excelling in conducting clinical assessments needed for complex discharge planning. Passionate about leading educational initiatives and mentoring peers, contributing directly to enhanced patient experiences and outcomes. Eager to promote compassionate, person-centered care and collaborate with a dedicated team toward continuous professional growth and superior health outcomes.

EXPERIENCE

Senior Registered Nurse

Northwestern Memorial Hospital 📅 June 2021 - Present 📍 Chicago, IL

Lead multidisciplinary teams to deliver quality inpatient care, ensuring effective communication and coordination across the continuum. Facilitate daily rounds for assessing patient needs and collaborating on treatment plans.

- Advocate for patients by promoting timely communication between departments and external resources.
- Conduct thorough patient assessments, focusing on complex discharge needs.
- Utilize critical thinking skills in managing a diverse patient population and developing tailored care plans.
- Mentor junior staff and guide ongoing education efforts to enhance nursing practices.

Case Manager

Memorial Medical Center 📅 May 2018 - May 2021 📍 Springfield, IL

Handled all aspects of case management for a caseload of acute and chronically ill patients. Partnered with healthcare professionals to enhance patient care strategies and results.

- Facilitated clear communication among medical staff to effectively coordinate complex patient care.
- Initiated educational workshops for both patients and families to streamline discharge processes safely.
- Engaged actively in daily patient rounds while identifying barriers that hindered care coordination.
- Supported professional development of colleagues through structured mentorship and training.

Registered Nurse

St. John's Hospital 📅 April 2016 - April 2018 📍 Springfield, IL

Gained hands-on experience in inpatient care, honing clinical assessment abilities while consistently supporting team goals and objectives.

- Participated in interdisciplinary meetings to influence patient care positively.
- Contributed insightfully to discussions regarding best practices and quality improvement initiatives.
- Assisted in caring for patients' unique needs, ensuring dignity and respect.
- Collaborated with healthcare leaders to implement new procedures aimed at improving patient outcomes.
