STRENGTHS

- ♥ **Guest Service**
During practice rushes, confirmed selections clearly and kept each interaction welcoming, helping guests feel heard.
- ♥ **Food Safety**
Applied safe handling, temperature checks, and sanitation during lab service, keeping stations orderly and ready.
- 📋 **Accurate Transactions**
Verified totals and followed cash steps at campus dining checkout, building dependable register habits.
- 👥 **Team Support**
Shared replenishment updates and clean handoffs during meal service, helping peers keep service moving.
- ✅ **Inventory Awareness**
Checked ingredients and supplies before shortages affected practice service, giving teammates time to restock.

SUMMARY

Early career **food service** candidate with supervised culinary lab and campus dining experience supporting safe **food preparation**, consistent sandwich assembly, accurate register transactions, inventory checks, sanitation, and welcoming **guest service**. Prepared ingredients, followed standardized build guides, verified order totals, managed food and supply levels, and maintained clean preparation and guest areas during busy meal periods. Comfortable using point of sale systems, computers, telephones, digital temperature tools, and routine **restaurant equipment**. Campus dining practice included service for approximately 120 guests per shift, with careful attention to portion control, quality checks, replenishment, cash handling, and dietary requests. Clear communication supported smooth team handoffs and dependable service. Flexible availability supports day, night, weekend, and holiday shifts.

EDUCATION

EXPERIENCE

Food Service Practicum Trainee, Campus Dining Practicum

Campus Dining Practicum 📅 January 2026 - September 2026 📍 Savannah, GA

- Supported supervised campus meal service, sandwich preparation, register transactions, **inventory** checks, sanitation, and guest area upkeep. Rotated across preparation, counter service, stocking, quality checks, and closing tasks while serving approximately 120 guests per shift.
- Supported lunch service for approximately 120 guests per shift through sandwich preparation and counter service.
 - Applied safe food handling during setup, portioning, storage, assembly, and closing station procedures.
 - Processed campus sales through a point of sale register, verified totals, and followed **cash handling** steps.
 - Checked breads, proteins, produce, condiments, packaging, and cleaning supplies before service shortages appeared.
 - Followed sandwich build guides and quality checks, producing consistent portions while accommodating guest selections.
 - Sanitized food contact surfaces, restocked supplies, and maintained clean, welcoming **guest areas** during service.

Food Preparation and Safety Trainee, Student Lab

Student Lab 📅 August 2025 - December 2025 📍 Savannah, GA

MY CAREER

- Food Service Practicum Trainee, Campus Dining Practicum at Campus Dining Practicum (8 Months)
- Food Preparation and Safety Trainee, Student Lab at Student Lab (4 Months)

- Completed supervised **food service** training focused on safe preparation, sanitation, order accuracy, workflow organization, inventory records, equipment use, and team handoffs within a training kitchen.
- Completed supervised lab practice covering safe preparation, **sanitation, order accuracy**, and workstation organization.
 - Built a sandwich workflow covering ingredient staging, portion control, assembly, packaging, and final quality inspection.
 - Used digital temperature tools, preparation equipment, **computers**, and checklists for **food safety** records.
 - Practiced guest order scenarios involving changing selections and dietary requests with clear confirmations.
 - Recorded simulated ingredient and supply usage, identifying replenishment needs for each following lab session.
 - Presented a service workflow showing safe preparation, organized cleanup, accurate transactions, and team handoffs.

PROJECTS

Service Flow Lab Showcase 📅 **December 2025**
Small details shape guest trust. Built a supervised service workflow linking ingredient staging, sandwich assembly, quality inspection, accurate transactions, safe cleanup, and clear team handoffs.
