STRENGTHS

- 👥 **Crew Safety**
Crew signals and safe spacing kept loading coordinated. Coworkers relied on steady awareness around moving vehicles and pedestrians.
- 🚚 **Route Reliability**
Full outdoor shifts stayed on track through changing weather and added cleanup work. Dispatch could count on consistent follow through.
- 🔧 **Equipment Care**
End of shift washing and inspections became a dependable habit. Early defect reporting helped maintenance follow up before problems grew.
- ⚙️ **Manual Work**
Bulky items, yard waste, and roadside debris demanded stamina. Safe lifting habits kept difficult assignments controlled and productive.
- ♥️ **Hazard Awareness**
Broken glass, sharp objects, and unknown waste received careful attention. Established protective practices guided each questionable material decision.

SUMMARY

Sanitation and solid waste professional with four years of experience supporting residential and commercial collection operations in physically demanding outdoor settings. Performs refuse, **yard waste**, bulky item, **roadside debris**, furniture, and appliance collection with steady attention to crew safety, orderly service areas, and dependable route completion. Handles transfer site unloading, truck and tool cleaning, **non CDL vehicle operation**, and OSHA safety practices, including bloodborne pathogen precautions. Maintains awareness of vehicles, coworkers, pedestrians, traffic, weather, and changing route conditions during sustained manual work. Applies safe lifting, controlled loading, equipment care, and clear crew communication across daily assignments. Holds a valid **North Carolina driver's license** and brings reliable attendance, practical judgment, and consistent follow through to municipal sanitation operations.

EXPERIENCE

Sanitation Collection Technician

Carolina Waste Solutions 📅 June 2024 - Present 📍 Kannapolis, NC

Supports residential and small commercial **collection routes** with a three person crew. Loads refuse, yard waste, bulky materials, and roadside debris, supports transfer station unloading, operates non CDL vehicles, and maintains trucks, tools, and safety equipment. Work contributes to clean **service areas**, safe routes, and dependable daily operations.

- Execute **refuse** routes with a three person crew, loading waste and bulky materials safely.
- Clear loose material around carts and roadside points, reducing repeat cleanup requests from dispatch.
- Support transfer station unloading through traffic controls, spotter direction, and disposal procedures.
- Wash collection bodies, hand tools, and safety **equipment**, then document defects for follow up.
- Apply OSHA precautions for sharp objects, unknown waste, and potential **bloodborne pathogen** exposure.
- Operate non CDL support **vehicles** between collection areas and facilities with a safe driving record.

Waste Collection Laborer

Catawba Environmental Services 📅 October 2022 - May 2024 📍 Hickory, NC

Supported curbside **garbage** and **yard waste** collection across assigned neighborhoods and completed bulky item service. Managed sustained manual loading, roadside debris, vehicle awareness, cleanup, tool care, route changes, and outdoor work in changing weather. Reliable execution helped crews meet daily service expectations without compromising safe handling.

- Supported curbside collection across neighborhoods, sustaining manual loading through full outdoor shifts.
- Removed furniture, **appliances**, and **roadside debris**, positioning materials for controlled loading and transport.
- Used crew signals around vehicles, traffic, pedestrians, and **coworkers** during collection stops.
- Restored collection points by gathering spilled refuse and stabilizing containers after service.
- Cleaned trucks, collection areas, rakes, brooms, and hand **tools** before next routes.
- Adapted to route changes and cleanup assignments while maintaining safe lifting practices.

Grounds and Cleanup Technician

Blue Ridge Property Services 📅 October 2020 - September 2022 📍 Statesville, NC

Performed outdoor cleanup and material handling across multifamily and commercial properties. Collected waste, litter, branches, and household items, used hand tools and carts, inspected exposure hazards, maintained equipment, and drove non CDL utility vehicles. Work built stamina and practical judgment for **sanitation collection** operations.

MY CAREER

● Sanitation Collection Technician at Carolina Waste Solutions (2.3 Years)

● Waste Collection Laborer at Catawba Environmental Services (1.6 Years)

● Grounds and Cleanup Technician at Blue Ridge Property Services (1.9 Years)

- Performed continuous outdoor cleanup and material handling across multifamily and commercial properties.
- Collected waste, litter, branches, and household items, staging materials for safe removal.
- Used hand tools and wheeled carts with team lifting and clear pedestrian paths.
- Inspected areas for broken glass and sharp objects before starting cleanup assignments.
- Cleaned and stored tools daily, reporting damaged equipment before subsequent work.
- Drove non CDL utility vehicles between properties and disposal points in varied weather.

PROJECTS

Route Cleanup Coordination 📅 2024

Daily collection work showed how small cleanup details protect service quality. Coordinated loading, loose refuse removal, and container placement across busy residential routes, leaving collection points orderly for customers and crews.

Transfer Site Safety Support 📅 2023

Transfer site assignments built confidence through repetition and attention. Followed traffic controls, spotter direction, unloading procedures, and equipment cleaning steps while supporting steady solid waste movement.

LEADERSHIP & AWARDS

- Recognized by route supervisors for dependable attendance and consistent completion of demanding outdoor assignments.
- Commended by crew members for practical equipment care, safe spacing, and calm response to changing route conditions.
- Trusted with recurring cleanup and vehicle support tasks after demonstrating reliable judgment around people and equipment.

EDUCATION

High School Diploma

West Iredell High School 🎓 GPA: 3.0 📅 2020 📍 Statesville, NC

Coursework: Workplace safety, physical education, environmental science, team collaboration

CERTIFICATIONS

- Valid North Carolina Driver's License 📅 2026
- OSHA Bloodborne Pathogens Awareness Training 📅 2026
