SUMMARY

Dependable early career safety professional prepared for part time school crossing work in Lakeland. Hands on practicum experience includes **pedestrian movement**, traffic observation, stop paddle use, **reflective safety equipment**, visual scanning, verbal signals, incident reporting, and emergency response. Supervised youth safety service built calm communication with children, families, drivers, school personnel, and community members. Consistent attendance across morning and afternoon activities demonstrates punctuality and reliable schedule management. Training covered Florida traffic safety practices, hazard recognition, incident documentation, weather readiness, and procedures for unsafe conditions. Comfortable standing and walking for extended periods, monitoring visual and auditory cues, and working near moving vehicles in changing outdoor conditions. A valid **Florida driver's license** and **high school diploma** support safe, courteous service at assigned school crossings.

EDUCATION

High School Diploma

2025

EXPERIENCE

School Crossing Guard Trainee, Community Safety Practicum

August 2026 to Present

Community Safety Practicum

Lakeland, FL

Supports supervised school zone crossing simulations during arrival and dismissal periods. Practices safe **pedestrian movement**, traffic observation, incident documentation, emergency response, and professional communication under instructor direction.

- Staffs supervised school zone simulations, improving positioning and visibility during arrival and dismissal practice.
- Uses **stop paddle**, reflective vest, hand signals, and verbal directions during realistic traffic scenarios.
- Scans for turning vehicles, distracted drivers, approaching **children**, and unsafe traffic gaps before crossings.
- Completes **incident reports** with observed conditions, actions taken, involved parties, and escalation details.
- Maintains punctual post arrival and outdoor readiness during heat, light rain, and humid exercises.
- Applies **emergency response** procedures during staged near miss scenarios, securing areas and notifying instructors.

School Arrival and Dismissal Safety Volunteer, Youth Safety Volunteer Program

January 2026 to June 2026

Youth Safety Volunteer Program

Lakeland, FL

Supported supervised arrival and dismissal activities for elementary age participants. Coordinated with program staff, communicated with families, monitored vehicle areas, and documented safety observations for daily procedure reviews.

- Supported elementary arrival activities, reinforcing walking routes and safe waiting near vehicle areas.
- Gave age appropriate directions to children and answered parent questions with calm, courteous communication.
- Monitored pickup zones for blocked sightlines, rushing participants, and unexpected **vehicle movement**.
- Alerted program supervisors when unsafe conditions required intervention or additional observation.
- Recorded participant counts and minor safety observations for review of recurring daily concerns.
- Completed briefings on emergency notification, **weather** readiness, communication, and appropriate public interaction.
- Maintained dependable attendance by arriving early and staying attentive through outdoor duty periods.

PROJECTS

School Zone Crossing Simulation 📅 2026

Supervised field practice focused on stop paddle use, reflective equipment, traffic scanning, pedestrian movement, emergency procedures, and incident documentation.

Youth Arrival Safety Support 📅 2026

Community service activity supporting children, families, walking routes, pickup zones, safety observations, and courteous communication during school arrival periods.
