SUMMARY

Security Officer with three years supporting retail and commercial properties through unarmed patrol, **access control**, badge verification, alarm monitoring, **incident response**, customer service, and clear documentation. Holds an active **DoD Secret Clearance**, **high school diploma**, CPR and First Aid certification, and Indiana security training credentials. Maintains a visible presence across common areas, storefront corridors, parking facilities, controlled entrances, loading zones, and building perimeters. Responds calmly to customer concerns, alarms, hazards, unusual activity, and time sensitive incidents by following site procedures and escalation protocols. Uses computers, tablets, badge systems, alarm panels, scheduling tools, and electronic reporting platforms with confidence. Communicates useful observations to supervisors, property contacts, tenants, visitors, and emergency resources. Supports dependable site coverage through fixed shift commitments and additional assignments when available.

EXPERIENCE

Security Officer

April 2025 - Present

Crossroads Site Security

Fishers, IN

Supports security operations for a multi tenant **retail property**, protecting visitors, tenants, staff, vendors, entrances, common areas, parking facilities, and exterior boundaries. Uses patrol routines, access systems, alarm response procedures, tablet reporting, and calm customer service to protect site operations and support timely escalation.

- Maintained visible coverage across retail entrances, corridors, **parking areas**, and perimeter routes during assigned shifts.
- Documented hazards, suspicious activity, maintenance concerns, and **policy violations** through tablet based reporting procedures.
- Verified vendor badges and after hours access, escalating exceptions under established **site procedures** and leadership guidance.
- Responded to alarms and customer concerns with calm communication, **observation**, and timely notification of designated contacts.
- Prepared daily activity and incident reports with accurate times, locations, actions, and disposition details for review.
- Applied CPR and **First Aid** training during medical concerns while protecting access around affected areas.

Security Patrol Officer

October 2023 - March 2025

Capitol Watch Services

Indianapolis, IN

Protected a commercial office and parking complex during evening assignments, balancing professional **customer service** with consistent access control, patrol, alarm monitoring, **incident documentation**, and escalation practices. Supported supervisors and property representatives with clear observations, reliable electronic records, and flexible coverage across nearby client sites.

- Patrolled offices, **parking areas**, stairwells, loading zones, entrances, and exterior boundaries during evening assignments.
- Verified authorized entry through **badge** systems, recorded visitor activity, and routed access exceptions to site representatives.
- Checked **alarm panel** notifications against post procedures, then provided supervisors concise observations for response decisions.
- Addressed tenant and visitor concerns professionally while applying restricted area rules and property security policies.
- Recorded unusual activity, unsafe conditions, unsecured doors, and facility concerns in electronic activity logs.
- Used computers, tablets, scheduling tools, and communication systems while accepting additional coverage assignments nearby.

PROJECTS
