STRENGTHS

- 🔍 **Reconciliation Leadership**
Resolved ledger exceptions before close, and teammates often relied on clear account research when deadlines tightened.
- 📁 **Audit Readiness**
Built organized workpapers linking transactions to approvals and invoices. Auditors received answers without a scavenger hunt.
- ♥️ **Budget Analysis**
Turned Excel variance detail into plain explanations for program managers, making forecast conversations more useful.
- 👥 **Team Guidance**
Reviewed complex entries for three staff members and kept payables, receivables, and cashiering work moving smoothly.
- 🏢 **Public Service Accounting**
Supported utility and municipal operations with patient follow through, clear records, and practical answers for internal partners.

SUMMARY

Senior accounting professional with five years of progressive experience supporting **financial reporting**, reconciliations, fixed assets, budgeting, audit readiness, and accounting operations in utility and public sector environments. Direct work includes GAAP reporting, capital project accounting, **general ledger** controls, quarterly fixed asset roll forwards, invoice validation, **journal entries**, variance analysis, and financial statement support. Oracle based workflows and Microsoft Excel analysis support dependable forecasting, budget monitoring, and clear explanations for operating leaders. Experience coordinating inventory verification, maintaining grant financial schedules, and guiding staff across **accounts payable**, receivables, payroll, and cashiering activities. Brings sound judgment, concise communication, customer service, and practical knowledge of government accounting, procurement, cost analysis, and auditor support to each reporting cycle.

EXPERIENCE

Senior Accountant, Utility Finance

Midwest Water Finance Cooperative 📅 January 2025 - Present 📍 Columbus, OH

Lead monthly close, reconciliation, fixed asset, capital project, inventory, reporting, and audit support activities for utility operating groups. Guide accounting staff across payables, receivables, and cashiering while maintaining dependable controls and clear documentation.

- Directed utility account reconciliations, clearing ledger exceptions before monthly reporting deadlines.
- Prepared **Oracle** fixed asset roll forwards, strengthening quarterly reporting support.
- Calculated capital project **overhead** allocations using approved **cost accounting** methods.
- Coordinated annual **inventory** verification across operating divisions, preserving audit support.
- Prepared **GAAP** financial report schedules and organized auditor evidence.
- Guided three accounting staff through payables, receivables, and **cashiering** controls.

Accountant II, Public Finance

Central Ohio Transit Finance 📅 September 2023 - December 2024 📍 Dublin, OH
Authority

Managed operating, payroll, payable, receivable, budget, grant, and audit support processes for a public finance organization. Connected Oracle activity, source records, procurement documentation, and reporting schedules for reliable close execution.

- Managed Oracle reconciliations across operating, **payroll**, payable, and receivable accounts.
- Built Excel budget variance analyses, clarifying **forecast** changes for program managers.
- Posted supported **journal entries**, improving close documentation and supervisory review.
- Validated vendor invoice coding against **procurement** records, reducing unresolved items.
- Maintained grant expenditure schedules against approved **budgets** and reporting requirements.
- Produced audit ready files linking transactions, approvals, invoices, and procedures.

Staff Accountant, Municipal Services

Great Lakes Municipal Services District 📅 June 2021 - August 2023 📍 Toledo, OH

Supported monthly close, **financial statement preparation**, capital asset tracking, procurement review, budget monitoring, and public service accounting operations. Maintained clear records and responsive relationships across departments while resolving account issues before reporting deadlines.

- Reconciled bank, cash, payable, and **general ledger** accounts before close.
- Compiled GAAP reporting schedules from account activity and supporting documentation.
- Tracked capital purchases and asset additions through quarterly fixed asset reviews.
- Verified invoices, purchase documents, and coding within procurement controls.
- Organized expenditure data and prepared budget variance explanations for finance staff.
- Responded to department requests with clear records and dependable service.

MY CAREER

- Senior Accountant, Utility Finance at Midwest Water Finance Cooperative (1.8 Years)
- Accountant II, Public Finance at Central Ohio Transit Finance Authority (1.2 Years)
- Staff Accountant, Municipal Services at Great Lakes Municipal Services District (2.2 Years)

PROJECTS

- Utility Capital Asset Reporting** 📅 2025
Built a coordinated reporting process connecting capital project overhead, Oracle asset records, ledger balances, and quarterly roll forward schedules for stronger financial review.
- Public Finance Grant Tracking** 📅 2024
Maintained grant expenditure schedules and budget comparisons that linked approved funding, account activity, documentation, and reporting requirements for assigned programs.

LEADERSHIP & AWARDS

- Recognized by finance leadership for dependable audit documentation and timely reporting support.
- Selected to guide three accounting staff across payables, receivables, and cashiering controls.
- Trusted by operating divisions to coordinate annual inventory verification and resolve discrepancies.
