Owns complex commercial auto, general liability, bodily injury, **premises liability**, and property files from assignment through resolution. Provides technical direction on high exposure matters, litigation strategy, reserving, vendor coordination, and junior adjuster development.

- Documented high exposure claim strategies using **coverage analysis**, liability evidence, and damages assessments
- Integrated policy forms, endorsements, exclusions, **medical records, estimates**, and expert findings into decisions
- Revised reserves as injury severity, property scope, liability, and litigation posture changed
- Directed **defense counsel** through discovery, mediation, experts, and settlement with legal expense review
- Negotiated represented and unrepresented claims within authority using documented **settlement evaluations**
- Mentored junior adjusters through complex file reviews, audit feedback, and negotiation preparation

Claims Adjuster II, Litigated Commercial Claims

June 2020 - January 2023

Lakeview Mutual Casualty

Lansing, MI

Handled litigated and pre litigation commercial auto, bodily injury, **property damage**, and general liability claims. Connected policy language, evidence, reserves, counsel guidance, and recovery opportunities within compliant claim files.

- Built exposure assessments from interviews, **police reports**, medical records, **photographs**, appraisals, and repairs
- Prepared **coverage position letters** linking **policy language**, disputed facts, damages, and recommendations
- Coordinated defense attorneys, investigators, medical reviewers, and experts through changing litigation strategy
- Adjusted reserves and negotiation plans as evidence, liability, and injury information developed
- Preserved evidence for fraud review and **subrogation** recovery channels
- Maintained compliant claim notes and diary controls across a fast moving caseload

Claims Adjuster, Property Losses

August 2018 - May 2020

Great Lakes Property Assurance

Kalamazoo, MI

Investigated personal and commercial property losses, including weather related and higher complexity damage. Evaluated coverage, scope, reserves, engineering findings, field conditions, and payment documentation while applying state requirements and fair claims practices.

- Investigated weather related property losses through statements, photographs, estimates, and site observations
- Resolved **coverage** and scope disputes with policyholders, contractors, and **appraisers**
- Established building and contents reserves, then updated estimates as facts changed
- Coordinated **engineers** and independent adjusters on technically complex property losses

Claims Representative, Auto and Liability

October 2016 - July 2018

Midwest Auto & Liability Insurance

Battle Creek, MI

Managed auto physical damage and lower severity **bodily injury** claims while building core investigation, liability, damages, negotiation, documentation, and recovery skills. Escalated emerging complexity with clear file support.

- Investigated auto losses through driver, claimant, witness, and repair facility interviews
- Compared statements with loss evidence to support documented liability assessments
- Reviewed repair estimates and medical documentation, escalating emerging complexity appropriately
- Negotiated routine settlements within authority using liability and damages evaluations
- Maintained electronic claim files, diary activity, and correspondence within required timeframes
- Recognized recovery opportunities and preserved documentation for subrogation review

PROJECTS

Complex Claim Audit and Quality Review 📅 2024

A difficult file exposed inconsistent documentation across several reviews. Built a practical review approach for coverage positions, reserves, diary controls, legal updates, and payment support, helping peers address gaps before formal audit activity.

Claims Peer Mentor Program 📅 2024

New adjusters often needed a second set of eyes on difficult files. Provided structured coaching on policy interpretation, liability analysis, negotiation preparation, and file presentation through an internal development program.
