Acme Health Services
Hiring Manager
Santa Clara, CA

Dear Hiring Manager,

Thrilled by the prospect of joining Acme Health Services as a Senior Occupational Therapist, I find this role aligns seamlessly with my professional journey thus far, characterized by a passion for patient care and a commitment to professional growth, anchored by over three years of diverse experience working across age-specific patient populations, including infants, adolescents, and geriatrics.

During my tenure as an Occupational Therapy Intern, I profoundly engaged with a dynamic healthcare team to design individualized treatment plans, each thoughtfully tailored to meet unique patient needs while ensuring compliance with healthcare standards, which I find to be both challenging and rewarding.

Stepping into the world of interdisciplinary collaboration has taught me the significance of teamwork; for instance, I once worked on a project that aimed to elevate therapeutic techniques for geriatric patients, and although there were challenges, the smiles of patients after successful sessions were my fuel for progress.

I envisage that Acme Health Services embodies a commitment to patient-centered care, which is reflected in my personal ethos as I consistently strive to enhance therapy outcomes and foster supportive environments for those I treat.

I look forward to the possibility of contributing to your esteemed organization.

Thanks,

Leilani Lawson
