EXPERIENCE

Shift Supervisor, Fitness Club Operations

HarborPoint Fitness 📅 July 2024 - Present 📍 Pleasanton, CA

Leads daily floor coverage, front desk service, cleaning routines, retail activity, and member support across busy operating periods. Coaches employees, adjusts staffing, protects sensitive records, and keeps facility standards visible through hands on oversight.

- Assigned front desk, cleaning, and member service coverage around staffing levels and employee strengths.
- Reviewed **attendance** and schedule changes before shifts, preserving reliable check in and retail coverage.
- Coached employees through service scenarios, payment procedures, cleaning standards, and escalation practices.
- Resolved peak period membership **conflicts** through **active listening**, clear explanations, and practical options.
- Completed recurring walkthroughs, identified maintenance concerns, and kept **member areas** stocked and orderly.
- Verified **retail transactions**, reinforced PCI aligned payment handling, and protected **sensitive member records**.

Member Services Lead, Front Desk Operations

East Bay Wellness Center 📅 May 2022 - June 2024 📍 Dublin, CA

Coordinated rotating front desk coverage and facility support while training associates in service, transactions, information security, and safe cleaning. Served as an escalation point for member concerns and helped supervisors maintain dependable staffing and orderly club conditions.

- Coordinated front desk and facility assignments around employee training and expected member traffic.
- Tracked **tardiness**, absences, and **time off** requests, maintaining dependable coverage for supervisors.
- Trained associates on check in workflows, customer communication, retail procedures, and **information security**.
- Handled escalated member concerns by defining issues, weighing options, and seeking **management guidance**.
- Inspected public areas, followed **cleaning** needs, and reported maintenance items before normal use suffered.
- Supported **point of sale accuracy**, daily sales priorities, secure payments, and member information practices.
