STRENGTHS

- 👤 **Client assessment**
Structured interviews clarified daily needs, and careful follow up gave professional staff useful facts for review.
- 🏠 **Family instruction**
Practical coaching made parenting, nutrition, budgeting, and household routines easier to apply at home.
- ♥️ **Safety recognition**
Sensitive observations helped identify welfare concerns early, with escalation handled through established reporting channels.
- 🔗 **Resource connection**
Clients often needed one steady point of contact, so referrals and appointments stayed organized.
- 🔒 **Confidential records**
Accurate entries preserved a clear case history, and coworkers relied on records during service decisions.

SUMMARY

Social service aide with four years of full time experience supporting disadvantaged adults, children, and families through public and community based human services. Conducts routine client **needs assessments**, prepares clear case documentation, enters accurate information into automated systems, and shares observations with professional **Social Workers**. Provides supervised parent child visitation, transportation support, referrals, and liaison services across medical, legal, employment, and community settings. Teaches parenting, household management, nutrition, budgeting, meal preparation, and safe home practices with respect for disability, culture, and economic hardship. Maintains confidential records, recognizes indicators requiring escalation, and applies working knowledge of **In Home Support Services** concepts and mandated **child abuse reporting**. Brings calm field judgment, dependable follow through, and practical care that helps clients access services safely.

EXPERIENCE

Social Service Aide

Sierra Community Family Services 📅 November 2024 - Present 📍 Chico, CA

Supports a field caseload of older adults, disabled adults, children, and families through assessments, instruction, visitation, referrals, transportation, and confidential **case documentation**. Works under professional review and escalates safety, medical, and welfare concerns through established channels.

- Documented in home needs for older adults receiving services, supporting professional case review.
- Verified care information with authorized providers before presenting assessment findings to **Social Workers**.
- Entered contacts, conditions, referrals, and follow up actions into automated case systems.
- Taught **parenting**, budgeting, nutrition, **meal preparation**, and household care skills to families.
- Supervised parent child visits, recorded objective observations, and escalated welfare concerns.
- Connected clients with medical, legal, employment, **transportation**, and **community resources**.
- Accompanied clients to appointments when access barriers limited timely service connection.

Human Services Support Aide

Golden State Family Resource Center 📅 October 2022 - October 2024 📍 Redding, CA

Supported disadvantaged adults and families through information gathering, service planning, practical instruction, family visitation, referrals, appointment coordination, and confidential record maintenance. Built steady working relationships with clients, public agencies, providers, and community organizations.

- Gathered service information and prepared concise case notes for professional staff review.
- Recognized changes in health, stability, and **family functioning** requiring referral or escalation.
- Taught **housekeeping**, food preparation, household organization, and parenting routines.
- Coordinated clinic, benefit, legal, employment, and **transportation** referrals for vulnerable clients.
- Supported supervised family visitation through safe boundaries and objective written observations.
- Maintained confidential paper and electronic records across active client cases.
- Built cooperative **relationships** with clients, providers, public agencies, and community organizations.

PROJECTS

Family Resource Connection Initiative 📅 2025

Coordinated practical referrals across medical, legal, employment, transportation, and community services. Clear follow through helped families reach appointments and maintain service connections.
