STRENGTHS

- 👥 **IEP Leadership**
Kept meetings focused on student evidence and next steps. Families left with clearer goals and practical supports.
- 📌 **Responsive Instruction**
When assessment results shifted, lessons changed with them. Students received support matched to current needs.
- ❤️ **Behavior Support**
Built predictable routines and reinforcement systems. Classroom teams gained consistency during transitions and task initiation.
- 💬 **Family Partnership**
Clear progress conversations made difficult updates more useful. Families received strategies they could apply at home.
- 🧑‍🤝‍🧑 **Team Coordination**
Peers sought practical guidance on accommodations and services. Shared planning kept support consistent across settings.

SUMMARY

Licensed **Special Education Teacher** with six years supporting K to 12 learners with academic and behavioral disabilities across elementary, middle school, resource room, and inclusive settings. Provides individualized, **evidence based instruction** aligned with IEP goals, accommodations, and student needs. Manages IEP preparation, service coordination, progress monitoring, documentation, and family communication with steady attention to student growth. Uses curriculum based measures, observations, work samples, behavior records, and evaluation findings to adjust literacy, mathematics, executive functioning, and behavioral instruction. Partners with **general education teachers**, administrators, school psychologists, **related service professionals**, families, and student support teams to maintain consistent services. Builds structured routines and practical behavior supports that improve readiness, participation, and self regulation. Ready to contribute thoughtful instruction, reliable case management, and collaborative problem solving within a student centered school community.

EXPERIENCE

Special Education Teacher

Northstar Learning Academy 📅 August 2024 - Present 📍 Bloomington, MN

Lead individualized academic and behavioral programming for a K to 8 caseload, coordinating IEP services, **evidence based instruction**, progress review, and family communication across school teams.

- Managed K to 8 programming by linking daily instruction with measurable **IEP goals** and accommodations.
- Designed literacy, mathematics, executive functioning, and behavioral lessons from **assessment** findings and student needs.
- Led IEP preparation and progress reviews, presenting clear growth evidence to **families** and multidisciplinary teams.
- Coordinated accommodations with **general education teachers** and related service providers across instructional settings.
- Used curriculum measures, observations, work samples, and behavior records to adjust interventions for struggling students.
- Established predictable routines and positive **behavior supports**, improving readiness and continuity across classroom settings.

Special Education Teacher

Riverbend Public Schools 📅 August 2022 - June 2024 📍 St. Paul, MN

Delivered specialized elementary instruction while managing **IEP goals**, service schedules, progress reports, family communication, and inclusive supports with a multidisciplinary school team.

- Delivered specialized elementary instruction that balanced grade level access with individualized skill development.
- Managed IEP goals, service schedules, progress reports, and family communication for assigned students.
- Built targeted reading and mathematics interventions from diagnostic evidence and changing student performance.
- Facilitated IEP meetings with educators, families, psychologists, and **related service professionals**.
- Developed behavior routines and reinforcement systems supporting transitions, task initiation, and self regulation.
- Prepared accommodations, modified materials, and teacher guidance for meaningful general education participation.

MY CAREER

● Special Education Teacher at Northstar Learning Academy (2.2 Years)

● Special Education Teacher at Riverbend Public Schools (1.8 Years)

● Special Education Teacher at Cedar Valley Schools (1.8 Years)

Provided specialized instruction across resource room and inclusive classrooms, building foundational case management, progress documentation, differentiated materials, and family partnership practices.

- Provided specialized instruction across resource room and inclusive classroom settings for academic and **behavioral needs**.
- Collected baseline and ongoing performance data, organizing concise updates for **instructional planning**.
- Created differentiated materials and scaffolded assignments connecting individual needs with classroom curriculum expectations.
- Coordinated testing accommodations, visual supports, structured breaks, and documented student services with classroom teachers.
- Maintained confidential special education records and timely instructional notes for educators and families.
- Strengthened family engagement through progress discussions and practical home school strategies tied to student goals.

PROJECTS

Inclusive Instruction Planning 📅 2024

Collaborated with classroom teachers to align accommodations, modified materials, and behavior supports with grade level lessons and individual IEP objectives.

Family Progress Partnership 📅 2023

Built clearer progress conversations with families and multidisciplinary teams, connecting assessment evidence with practical academic and behavioral supports.

LEADERSHIP & AWARDS

- Recognized for dependable IEP documentation and clear progress communication across multidisciplinary student support teams.
- Acknowledged by school colleagues for consistent classroom routines supporting student readiness and self regulation.
- Selected for trusted collaboration with families, general education teachers, and related service professionals.

EDUCATION

Bachelor's Degree in Special Education

Minnesota State University, Mankato 🎓 GPA: 3.5 📅 2020 📍 Mankato, MN

Coursework: *Special education, educational assessment, behavioral supports, instructional planning*
