EXPERIENCE

Administrative Support Intern

June 2026 - September 2026

Public Service Internship

Richmond, VA

Supported supervised **public service** administration through intake tracking, correspondence preparation, scheduling, records **organization**, inquiry routing, and follow up. Helped staff keep community requests, meeting materials, calendars, and administrative tasks accurate, accessible, and current during time sensitive office work.

- Recorded community requests in shared trackers, improving visibility into routing decisions and follow up status.
- Prepared briefing packets, agendas, **correspondence** drafts, and reference materials for staff review before community meetings.
- Coordinated appointment calendars and room logistics, keeping **scheduling** notes accurate after changes and confirmations.
- Organized digital **records** with standard file names and retention folders, improving retrieval of current documents.
- Routed phone and email inquiries using escalation guidance, providing courteous communication and accurate staff direction.
- Maintained weekly task lists with completion notes, helping supervisors verify outstanding administrative requests.

Administrative Operations Project Assistant

September 2025 - May 2026

University Project

Richmond, VA

Completed supervised administrative operations work for a public administration course, translating office concepts into practical workflows, request logs, correspondence, scheduling processes, filing structures, and team documentation. Presented recommendations that connected consistent records and **task tracking** with dependable service.

- Mapped a simulated **legislative office** workflow, connecting intake, **correspondence**, scheduling, records, and follow up steps.
- Built an Excel request log for 180 cases, improving completeness through validation fields and status categories.
- Drafted acknowledgment letters, meeting summaries, and routing notes, applying concise professional writing and proofreading standards.
- Tested a shared calendar process for five teammates, resolving conflicts and documenting decisions in organized notes.
- Created a digital filing structure for case materials, then evaluated retrieval accuracy through peer review.
- Presented workflow recommendations to faculty and classmates, linking documentation and **discretion** with reliable office service.

PROJECTS

Simulated Legislative Office Workflow 📅 2026

Created a classroom workflow for intake, correspondence, scheduling, records, and follow up. Shared practical recommendations with classmates and faculty, building common ground around dependable office service and accurate information.
