SUMMARY

Dedicated and compassionate Physical Therapist with 2 years of experience in outpatient orthopedics and sports medicine. Proven ability to conduct comprehensive evaluations and create personalized treatment plans that enhance patient recovery and achieve health goals. Strong communicator with excellent problem-solving skills, committed to delivering high-quality patient care through a one-on-one treatment model. Enthusiastic about contributing to a collaborative healthcare team while pursuing continuous professional development via mentorship and leadership opportunities.

EXPERIENCE

Physical Therapist

Wellness Physical Therapy June 2024 - Present Framingham, MA

As a Physical Therapist, focus on providing individualized patient care and support. Responsible for conducting evaluations, creating tailored treatment strategies, and overseeing complete patient journeys.

- Conducted comprehensive evaluations, ensuring tailored treatment strategies aligned with individual goals.
- Developed personalized treatment plans using evidence-based practices to optimize recovery outcomes.
- Provided hands-on treatment consistently throughout the patient's care journey, without double-booking or overlapping appointments.
- Collaborated with a multidisciplinary team to facilitate holistic patient care and improve satisfaction.
- Monitored and documented patient progress, adjusting treatment plans based on ongoing assessments.
- Participated in the clinic's mentorship program, enhancing skills and contributing to team development.

Physical Therapist

Active Life Therapy July 2024 - May 2026 Natick, MA

Focused on developing effective treatment protocols for orthopedic conditions as part of a dedicated patient care initiative.

- Conducted detailed assessments, identifying patient needs and establishing effective treatment protocols for orthopedic conditions.
- Created individual treatment plans prioritizing patient wellness and rehabilitation goals.
- Engaged in patient education, offering guidance on exercises and lifestyle changes for ongoing health improvement.
- Collaborated closely with medical professionals ensuring comprehensive patient care.
- Achieved high patient satisfaction ratings through consistent, compassionate care and effective communication.
- Assisted in developing clinic protocols to enhance patient management efficiency.

LEADERSHIP & AWARDS

- Recipient of the Patient Care Excellence Award at Wellness Physical Therapy for outstanding patient feedback.
- Completed the 15-month Mentorship Program at Active Life Therapy.
