SUMMARY

Facilities and **stockroom** professional with four years of experience supporting material movement, deliveries, **event setup**, **inventory records**, shipment preparation, equipment care, and confidential document handling. Safely moves furniture, supplies, staging materials, and objects weighing up to 100 pounds while protecting people, facilities, vehicles, and property. Maintains orderly storage areas and simple **stores records**, identifies supplies by type and condition, and follows written storeroom, safety, security, and transportation procedures. Provides courteous service to faculty, staff, students, visitors, and facility partners during changing priorities. Performs vehicle checks, cleans moving equipment, reports hazards and repair needs, and communicates unresolved concerns clearly. Practical experience with campus operations, emergency reporting, policy updates, and evening or weekend event support can contribute dependable service in an essential facilities role.

EXPERIENCE

Stockroom and Moving Services Clerk October 2024 - Present
Keystone Campus Support Services Harrisburg, PA

- Supports daily stockroom, **moving**, delivery, vehicle, event, and confidential materials operations across an education campus. Reviews work orders, sequences assignments, protects property, and communicates service needs with campus customers and supervisors.
- Sequenced campus **furniture** deliveries from work orders, protecting classes and events from schedule disruption.
 - Loaded vehicles and secured furniture using safe handling methods, reducing damage during campus transfers.
 - Maintained stock and movement records, checking supply type, quantity, location, and condition before issue.
 - Delivered and retrieved event **tables**, chairs, and **staging** materials, confirming setup needs with event contacts.
 - Operated service vehicles under campus procedures, reporting **equipment** defects before scheduled work was affected.
 - Collected and shredded confidential papers, reporting hazards while serving faculty, staff, students, and visitors.

Facilities Material Handler August 2022 - September 2024
Capital Region Facilities Logistics Mechanicsburg, PA

- Supported warehouse and facilities operations across multiple occupied buildings through receiving, storage, packing, loading, delivery, equipment care, and customer response. Applied safety training and supervisor direction during routine and urgent assignments.
- Received and stored maintenance **supplies**, **furniture**, and materials for multiple occupied facilities buildings.
 - Prepared shipments with suitable packing, labels, and carrier coordination based on destination and handling needs.
 - Recorded **inventory** transactions and storage locations, giving supervisors reliable replenishment information.
 - Cleaned and inspected carts, dollies, and hand trucks, routing damaged **equipment** for repair.
 - Moved bulky objects through public corridors, protecting occupants, doors, walls, elevators, and property.
 - Handled urgent requests and special setups, reporting deficiencies and customer concerns as priorities changed.

PROJECTS

- Campus Event Logistics Support** 📅 2024
A last minute setup can shape an entire campus event. Coordinated staging materials, tables, chairs, deliveries, retrieval, storage, and customer checks while protecting facilities and keeping event spaces orderly.
- Confidential Materials Handling** 📅 2023
Sensitive paper requires quiet discipline. Supported secure collection and shredding practices, separated confidential materials from routine waste, and reported concerns through established supervisory channels.

LEADERSHIP & AWARDS

- Recognized by supervisors for dependable support during changing campus delivery and event priorities.
- Trusted with confidential paper collection and shredding through consistent security and handling practices.
- Selected for recurring facilities assignments requiring safe movement of heavy furniture and supplies.
