STRENGTHS

- 💧 **Drainage Response**
Cleared blocked inlets and storm channels with practical tools, restoring flow before problems spread through work zones.
- 🔧 **Equipment Safety**
Checked trucks and powered equipment before deployment. Crews relied on those checks when schedules tightened.
- 🏗️ **Concrete Repair**
Prepared and finished small sidewalk and curb sections under supervision, building sound repairs through steady field work.
- 🚧 **Traffic Awareness**
Set cones and installed signs near moving vehicles. A clear work area kept pedestrians and crews moving safely.
- ☁️ **Weather Response**
Adjusted schedules for snow, ice, and storms. Dependable attendance helped public work continue through difficult conditions.
- 🌿 **Grounds Care**
Mowed public grounds and trimmed trees for clearance. Small upkeep tasks kept streets, sidewalks, and medians serviceable.
