STRENGTHS

- 📅 **Operational Coordination**
Built coverage plans around staffing, leave, and deadlines. A clear daily plan helped employees start with fewer questions.
- 👥 **Staff Development**
Used case reviews and direct feedback to correct recurring filing issues. Newer employees gained a dependable resource for difficult work.
- ✅ **Records Accuracy**
Checked filings, case updates, and payment records closely. Careful review protected customers from avoidable processing delays.
- 🗣️ **Service Judgment**
Listened first during escalated questions, then compared policy based options. Customers received clear answers without compromising access controls.
- 🔒 **Confidentiality**
Handled public and restricted records with steady discretion. Teams relied on consistent guidance when access questions became unclear.

Customer Service Active Listening

SUMMARY

Court operations supervisor with seven years supporting legal records, case processing, **customer service**, payment workflows, and team performance in high volume public sector settings. Four years of direct supervision include scheduling coverage, assigning daily work, approving time records, documenting protected leave, coaching employees, and reviewing performance. Hands on knowledge covers **legal document filing**, **court proceedings**, public and **confidential court records**, court service access, fees, payment processing, policy compliance, and service recovery. Active listening and careful judgment support sound decisions during competing deadlines and workflow questions. Associate of Science in Criminal Justice adds relevant academic preparation. Brings steady operational leadership, accurate documentation, and practical communication that help court teams serve customers consistently while protecting record integrity and confidentiality.

EXPERIENCE

Court Processing Supervisor

Lakeview Court Support Services 📅 October 2022 - Present 📍 Fort Wayne, IN

Directs daily **court processing** for a twelve person records team, supporting filings, case updates, payment transactions, public records access, confidential records access, staffing coverage, employee development, and policy driven service delivery.

- Directed daily filing and records work, keeping case updates and payments accurate during extended operating hours.
- Built rotating coverage plans, balancing employee readiness, scheduled leave, workload, and time sensitive court **deadlines**.
- Reviewed staff time records, documenting protected leave and **short term disability** absences for accurate approvals.
- Coached employees on filing requirements, confidentiality controls, fee procedures, and customer interactions through targeted case reviews.
- Evaluated queue quality and timeliness, then adjusted assignments and training priorities around recurring processing issues.
- Resolved escalated service questions by listening carefully, comparing procedural options, and documenting policy based decisions.

Senior Court Records Specialist

Summit Legal Records Center 📅 July 2020 - September 2022 📍 New Haven, IN

Coordinated civil and family case intake while serving as a lead resource for document quality, confidential record handling, court service access, payment reconciliation, deadline control, and practical workflow improvements.

- Coordinated civil and family document intake, verifying filing details before records entered established case workflows.
- Guided newer specialists through confidential record handling, court service access, payment procedures, and case updates.
- Reassigned queue work during volume shifts, helping maintain dependable processing across competing filing deadlines.
- Reconciled fee records against case activity, researched discrepancies, and routed exceptions through appropriate review channels.
- Explained procedural requirements to attorneys, court users, and staff while protecting restricted information.
- Documented recurring workflow problems, presenting practical changes that improved handoffs between intake and records teams.

Court Services Clerk

Northeast Indiana Legal Services Center 📅 October 2019 - June 2020 📍 Fort Wayne, IN

Processed legal documents, service requests, fees, payments, and case information while supporting customers, maintaining confidential records, tracking deadlines, and building early leadership capability through supervised peer training.

MY CAREER

● Court Processing Supervisor at Lakeview Court Support Services (4 Years)

● Senior Court Records Specialist at Summit Legal Records Center (2.2 Years)

● Court Services Clerk at Northeast Indiana Legal Services Center (8 Months)

- Processed incoming legal documents and service requests, checking completeness before routing submissions into case workflows.
- Maintained electronic and paper case information with accurate confidentiality designations and authorized access controls.
- Accepted routine **fees** and payments, issued documentation, and balanced transaction records under office controls.
- Supported counter and telephone customers by explaining court service processes without providing legal advice.
- Tracked assignments and filing deadlines through shared queues, escalating unclear matters for senior review.
- Trained new clerks on workstation procedures, document routing, **customer service**, and secure record handling.

PROJECTS

Court Records Access Workflow 📅 2023

Mapped public and confidential record request steps, clarified escalation points, and supported consistent service decisions during busy court processing periods.

Payment Reconciliation Review 📅 2022

Reviewed fee and payment activity against case records, identified discrepancies, and routed exceptions through established operational controls.

LEADERSHIP & AWARDS

- Supervisor Recognition, Lakeview Court Support Services, recognized for dependable staffing coordination and thoughtful employee coaching.
- Service Quality Recognition, Summit Legal Records Center, acknowledged for accurate records work and clear customer communication.
- Leadership Contribution, Northeast Indiana Legal Services Center, selected to train new clerks on secure processing procedures.
