SUMMARY

Talent Acquisition Specialist with three years of **full cycle recruiting** experience across campus, early career sales, and cross functional hiring. Builds lasting university relationships with career centers, business programs, and **student sales organizations**, then turns those connections into warm pipelines for **sales development representatives, account executive associates**, interns, and new graduate trainees. Manages requisitions from intake and sourcing through structured interviews, offers, and onboarding handoff. Uses LinkedIn Recruiter, job boards, referrals, ATS administration, applicant flow reporting, conversion metrics, time to fill, and pipeline diversity data to guide hiring decisions. Partners with hiring managers, HR, and Marketing on assessment quality, event strategy, and employer brand materials. Creates responsive candidate experiences that support fair evaluation and sustained hiring readiness across changing business needs.
