Dear Hiring Manager,

I am delighted to express my interest in the Tax Principal role at Global Advisory Partners, a position that resonates profoundly with my extensive experience and commitment, illustrating a synthesis of my professional journey in tax advisory combined with my genuine passion for enriching client relationships and steering business transformation.

Throughout my career, especially in healthcare, I realized that navigating complex tax regulations requires more than just technical skills; it necessitates a collaborative spirit, a sense of humor, and a willingness to listen, as building a rapport with clients and team members has proven essential in thriving in this intricate field.

A recent project exemplifies this. Leading a specialized team at Healthcare Tax Advisors, we tackled a significant IRS inquiry for a major healthcare client. Through strategic insights, hands-on involvement, and fostering open communication, we not only resolved the issue but also solidified our client's trust and satisfaction.

I thrive while mentoring teams, nurturing junior staff, and ensuring we exceed client expectations, reminding myself daily of the responsibility we hold in this ever-demanding environment. Achieving tangible results is paramount, and my focus on client involvement has driven the lasting success we've realized.

My combined insights into both federal and state compliance regulations form a sturdy foundation, allowing me to approach tax strategies innovatively, facilitating sustainable growth amidst challenges. Being part of your team aligns perfectly with my aspiration to contribute progressively to your firm's success and client vitality.

Thank you for considering my application.

Sincerely,

Joseph Kim
