Triage Health Services
Travel Physical Therapy Assistant
Danville, IL

Dear Hiring Manager,

I am thrilled to apply for the Travel Physical Therapy Assistant position at Triage Health Services. This role perfectly matches my evolving skills and dedication to patient recovery.

Transitioning from my internship at the University Research Lab, I eagerly developed treatments alongside seasoned therapists, honing abilities that rejuvenate patients' lives. While this leap felt daunting, focusing on outcomes instilled clarity and purpose.

In my recent role as Rehabilitation Aide at Student Innovation Lab, I embraced diverse patient interactions, ensuring comfort during tasks while learning best practices within a supportive team. These experiences reinforced my belief in patient-centered care.

Leadership flourishes through collaboration, and I thrive on engaging with colleagues to advance clinical results. Small victories—like improved patient mobility through consistent support—fuel my passion.

I am passionately committed to ongoing growth, actively seeking advanced certifications while contributing actively in local health initiatives. Collaborating with Triage Health will reinforce my dedication to enhancing patient experiences.

Thank you for considering my application.

Sincerely,

Rosalie Salas
